**Re: Docket No. PCN 5 – In the Matter of Idaho Power Company’s Petition for Certificate of Public Convenience and Necessity.**

Dear ALJ Mellgren,

Currently, the format for the Evidentiary Hearing in this matter, scheduled for April 19-20, 2023, remains unconfirmed—the most recent schedule updated issued by Your Honor characterized the Evidentiary Hearing as Hybrid In-Person/Remote; tentative in-person component at OPUC Office, Salem, Oregon. As the dates for the Evidentiary Hearing are rapidly approaching and there is a possibility that the Evidentiary Hearing may include an in-person component at the Commission’s Salem office, it would be helpful to know when to expect confirmation of the format for the Hearing so that our witnesses and Company representatives can make appropriate arrangements for the logistics involved.

Idaho Power requests your attention to this matter at your earliest convenience.

Respectfully submitted,

---
