4. The nature and extent of the Petitioner's interest in the proceeding is:

The B2H project will have miles of new roads and towers on the land I own and the company cannot tell me where the final siting of all these will be. In addition there are ongoing archaeological surveys and digs occurring and the mitigation for these sites has still not been determined.

5. The issues the Petitioner intends to raise at the proceeding are:

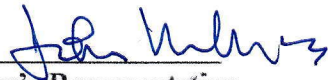

There is the alternative NEPA route that has not been explored by the company, the company and their contractors are not communicating well with each other and are giving me multiple versions of the same story, they are not sharing the surveys and reports on my land in a timely manner or at all, and other issues that are germane to the docket.

6. The special knowledge or expertise of the Petitioner that would assist the Commission in resolving the issues in the proceeding is:

I know my land and have been involved in the siting process since its inception.

7. Based on the information provided above in accordance with the Commission's rules of procedure, I request to participate in this proceeding as an intervenor. I or the organization that I represent will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
