

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

PCN 5

In the Matter of

IDAHO POWER COMPANY,

Petition for Certificate of Public  
Convenience and Necessity.

MEMORANDUM

On April 17, 2023, I issued a memorandum clarifying several issues and noting a revised schedule for the April 19, 2023, and April 20, 2023, evidentiary hearings would be forthcoming. This memorandum establishes a revised schedule for those hearings.

The parties are reminded that the below schedule is subject to change. The “Estimated Time” column includes the total time estimates for each witness. The parties are reminded that this includes time for cross-examination, follow-up cross-examination from other parties, ALJ and Commissioner questions, and any redirect. The approximate amount of time allotted for each individual’s cross-examination of a witness is listed in parentheses in the “Crossing Counsel/Individual” column.
