To Whom it May Concern,

The Myers Family is in support of the Alternate route proposed by Mr. Sam Myers (Alternate Route Option C to Wheatridge Intraconnection Corridor). This letter is to inform the commission of an offer Wendy King proposed to Mr. Stippel by phone dated April 24, 2023 to offer 49 acres in two separate land parcels of Myers property located along Myers Lane for Idaho Power's use as a multi-use area (MUA) if the Wheatridge alternate is utilized. Mr. Sam Myers and Ms. King have provided overwhelming evidence that utilizing an alternative route that co-locates B2H with the Wheatridge Intraconnection line is safer, more reliable, and less impactful.

The Myers Family has shown a Good Faith Effort by offering their property to Idaho Power for a temporary MUA. The family continues to provide viable solutions to keep EFU lands as whole as possible.

The undersigned appreciate the opportunity to speak our concerns in this docket for public view.

Sincerely,

Nancy Myers
