**RE: Second Supplemental Filing of Advice No. 22-21, Compliance with Changes to Division 21 Rules in AR 653**

Portland General Electric Company (PGE) submits this supplemental filing pursuant to Oregon Revised Statutes 757.205 and 757.210, and Oregon Administrative Rule (OAR) 860-022-0025, for filing proposed tariff sheets associated with Tariff P.U.C. No. 18. PGE initially filed Advice No. 22-21 on October 3, 2022, with an effective date of October 19, 2022. PGE submitted a Supplemental Filing on October 5, 2022 at the request of Staff to correct two small typographical errors that were discovered during the redline reconciliation.

PGE is submitting this Second Supplemental Filing requesting updates to PGE's Rules F and H under the same compliance advice filing, with a requested effective date of **November 23, 2022**. PGE has discussed the additional Rule changes with Staff to add language for low-income exclusions to Rules F and H and Staff supports PGE's filing.

Enclosed are the following additional sheets.

Third Revision of Sheet No. F-9  
Second Revision of Sheet No. H-2  
Second Revision of Sheet No. H-3  
Fourth Revision of Sheet No. H-4  
Second Revision of Sheet No. H-5  
Original Sheet No. H-6

All other sheets remain as filed.

Order No. 22-384, entered on October 20, 2022, granted PGE a partial waiver through December 31, 2022, or upon written notice of intent to comply to the Commission's Consumer Services Section, whichever occurs first, of the amendments to the following administrative rules, effective September 30, 2022:

- OAR 860-021-0126(3) – Late Payment Charge
- OAR 860-021-0330(1)(2) – Reconnection Fee
- OAR 860-021-0420 – Field Visit Fee

By November 1, 2022, PGE completed system adjustments that allow for low-income customers to be automatically excluded from late payment and field visit fees pursuant to changes in the above OARs. PGE will be ready with the necessary adjustments for reconnection fees prior to November 14, 2022.

Redline versions of Rules F and H are included as a courtesy.

To satisfy the requirements of OARs 860-022-0025(2), PGE provides the following response: The changes do not increase, decrease, otherwise change existing rates, or impact revenues.

Charges for service disconnection and reconnection are as listed in Schedule 300. At the Customer's request, the Company will disconnect and reconnect Electricity Service to ensure safe working conditions. The disconnection and reconnection will be done without charge if the work can be completed on the initial trip or on a second trip scheduled during Scheduled Crew Hours. If, at the Customer's request, the disconnection and reconnection are performed during other than Scheduled Crew Hours or for reasons other than to ensure safe working conditions, Schedule 300 charges for disconnection and reconnection apply when a standard service crew (a two-person crew) can complete the work in less than 30 minutes and the work can be scheduled at Company convenience.
