RE: Advice No. 22-23, Reinstating On-Bill Tariffs

Portland General Electric Company (PGE) submits this filing pursuant to Oregon Revised Statutes 757.205, 757.210, 757.220, and Oregon Administrative Rule (OAR) 860-022-0025, for filing proposed tariff sheets associated with Tariff P.U.C. No. 18, with a requested effective date of **November 2, 2022**:

- Thirty Ninth Revision of Sheet No. 1-3
- First Revision of Sheet No. 340-1
- First Revision of Sheet No. 340-2
- First Revision of Sheet No. 340-3
- First Revision of Sheet No. 340-4
- Second Revision of Sheet No. 341-1
- First Revision of Sheet No. 341-2
- First Revision of Sheet No. 341-3
- First Revision of Sheet No. 341-4

On July 14, 2022, PGE submitted Advice No. 22-15, Housekeeping Filing, which consisted of making a number of housekeeping changes to PGE's Tariff for the purpose of correcting references, typographical errors, minor updates, and withdrawal of tariffs for programs no longer in effect and that no longer had customers associated with them.

Schedule 340 On-Bill Repayment Service Energy Efficiency and Sustainable Technologies (EEAST) and Schedule 341 Energy Efficiency Upgrade Voluntary On-Bill Repayment Service, should not have been removed from PGE's Tariff. PGE acts as a billing agent for Energy Trust. The On Bill Repayment Service that PGE provides via Schedules 340 and 341 serve as a cost recovery mechanism for home energy loans serviced by Energy Trust third-party lenders and was withdrawn in error.

No changes are being proposed to Schedules 340 and 341, with the exception of the revision numbers, the issue date, issuing Vice President, and effective date. The language in the body of the tariff is identical to the language in those tariff schedules prior to this filing.

To satisfy the requirements of OAR 860-022-0025, PGE responds as follows:

The changes do not increase, decrease, otherwise change existing rates, or impact revenues.

Due to the requested effective date and the less than 30-day notice, PGE is also submitting an application requesting a waiver of legal statutory notice, pursuant to ORS 757.220 and OAR 860-022-0020.

SCHEDULE 340 (Continued)

SERVICE DESCRIPTION (Continued)

The On-Bill Repayment Service program is offered with the following understanding:

Related to the Participating Customer:

1. A Customer's participation in the On Bill Repayment Service will not affect the Customer's OAR Chapter 860, Division 21 rights and responsibilities or the Company's compliance with Division 21 rules. For example, the Company will not disconnect a Customer's service for non-payment of the EEAST loan repayment amount. The Customer's participation in the On Bill Repayment Service will not affect the Customer's ability to establish credit, impact the deposit amount the Customer may be required to pay, or otherwise affect the Customer's ability to receive reliable Electricity Service with the Company.
2. By securing an EEAST loan, the Customer will be responsible to remit the monthly EEAST loan repayment amount to PGE with the monthly bill payment for Electricity Service.
3. Customer payments remitted to the Company shall first be applied to those charges related to the provision of Electricity Service and other related services billed to the Customer consistent with the Company's tariff¹. Overpayments received by the Company will not be applied to the EEAST loan balance, nor will refunds be issued. The overpayment will be applied towards Electricity Service charges in the same posting priority as defined within the Company's tariff².
4. Time Payment Agreements or other payment arrangements will not be available for the EEAST loan repayment amount, nor will Energy Assistance payments be applied to the EEAST loan repayment amount.
5. Delinquency Conditions: If a customer is seventy five (75) calendar days past due on their EEAST loan payment, the Company will notify the Energy Trust and no longer provide the On Bill Repayment Service to the customer if the EEAST loan remains past due. If the EEAST loan payment is more that ninety (90) calendar days past due, the Company will remove the Customer from the On Bill Repayment Service without notice to the Energy Trust or the Customer. A return check charge as provided in Schedule 300 will be applied to any payment returned by a financial institution.

¹) Rule F, Billings, (5), Presentation and Payment of Bills

²) Should the overpayment be equal to that of the remaining EEAST Loan balance, the Company may issue a refund and advise the Customer to contact the Energy Trust on proper loan pay-off procedures.

SCHEDULE 340 (Continued)

SERVICE DESCRIPTION (Continued)

6. As the EEAST loan is specific to the Customer and the premises, if the Customer sells the property, the loan will revert to Energy Trust, and/or its financing organization. Energy Trust may work with the new owner to continue the repayment obligation; if the new owner is willing to continue the EEAST loan repayment obligation, the Energy Trust and PGE will treat this as a new EEAST loan.

Related to the Energy Trust of Oregon:

1. Energy Trust will reimburse Company for all costs related to Company's administration of this On Bill Repayment Service. The Company will bill Energy Trust for ongoing administrative costs, including costs associated with programming, credit searches, repayment set up, repayment termination, and other incremental activities related to processing bill payments, accounting and reporting. The Company will not seek to recover any incremental costs associated with this program from Customers. The business relationship between the Energy Trust and Company will be governed by an executed operating agreement.
2. The Company will transfer to the Energy Trust, on a monthly basis, a remittance that includes the aggregate amount of all EEAST loan repayment amounts received during the previous month, a listing of participating Customers, payment amounts and dates of payment and other information as agreed to between the Company and Energy Trust.
3. If any Customer payment transferred by the Company to Energy Trust or its designee is later reversed or payment declined because the Customer has insufficient funds with its bank or financial institution, the Company shall not be responsible for a return payment fee to the Energy Trust or its designee.
4. Upon receipt of written notice of a change in ownership of the premises of a participating Customer, the Company will not include repayment amounts on the Electricity bill for the new owner of the premises without first receiving written notification from Energy Trust of the following: a) a new qualifying Customer at the premises has established a contract for repayment of the payment obligation, b) written authorization from the new owner of the premises that allows the repayment amount to be placed on the new qualifying Customer's Electricity bill, and c) authorization for the Company to share the new qualifying Customer's account payment history and credit activity with the Energy Trust.
5. Dispute Resolution: Energy Trust must provide the Company with a toll-free Customer Service phone number to which the Company can refer Customers who have questions or concerns about their EEAST loan repayment obligation. The Company is not responsible for responding to Customer questions and disputes related to EEAST loan or for any misinformation provided by Energy Trust.
