**RE: Supplemental Filing of Advice No. 22-36, NEW Schedule 153, Community Benefits and Impact Advisory Group Cost Recovery Mechanism**

Portland General Electric Company (PGE) submits this supplemental filing pursuant to Oregon Revised Statutes (ORS) 757.205 and 757.210 and Oregon Administrative Rule (OARs) 860-022-0025 and 860-022-0030 for filing proposed tariff sheets associated with Tariff P.U.C. No. 18. PGE initially filed Advice No. 22-36 on November 15, 2022, with a requested effective date of January 1, 2023. PGE is submitting this Supplemental Filing extending the requested effective date from January 1, 2023 to March 1, 2023 to allow Staff more time to review and provide additional cost detail.

All sheets remain as previously filed.

The extension does not affect PGE's responses in its initial Advice Filing, which requires PGE to satisfy the requirements of OAR 860-022-0025(2) and 860-022-0030.

The work papers remain as previously filed.
