INTEROFFICE CORRESPONDENCE**

**DATE:** December 19, 2022

**TO:** Caroline Moore

**FROM:** Madison Bolton

**SUBJECT:** **Avista Corporation:** 2023 Tariff has been updated. Avista’s Compliance filing at Advice No. 22-12-G for Interest Accrued on Customer Deposits and Late Payment Charge.

On November 18, 2022, Avista Corporation (“Avista” or “Company”) proposed revisions to the following tariff sheets, P.U.C. OR. No. 5.

|                                    |  |

| 9 <sup>th</sup> Revision Sheet 7B  | 8 <sup>th</sup> Revision Sheet 7B            |

Jaime Majure, Regulatory Policy Analyst of Avista requests to replace Oregon PUC Tariff Sheet No. 5, the 9th Revision Tariff Sheet 20 with the 10th Revision Tariff Sheet 20; and to replace Oregon PUC Tariff No. 5, the 8th Revision Tariff Sheet 7B with the 9th Revision Tariff Sheet 7B.

In compliance with Commission Order No. 22-459 in Docket No. UM 779, Public Utility Commission of Oregon Determination of Late-Payment Rate and Interest Accrued on Customer Deposits, Avista has made the tariff changes to reflect the late payment rate of 2.2 percent which utilities are allowed to collect on late payments and to reflect the annual interest rate of 4.5 percent on customer deposits for calendar year 2023.

Staff’s review included verifying the following requirements for compliance with Commission Order No. 22-459:

- The late payment fee of 2.2% of unpaid balance, effective for service on and after January 1, 2023.
- The interest rate of 4.5% on customer deposits held during January 1 through December 31, 2023.
- Attachments: Avista's Tariff Sheets for Late Payment charge and interest rate.

Staff verified Avista’s Advice No. 22-12-G and found that the new rates have been properly applied and the Company is in full compliance with the Commission order. Staff recommends an acknowledgement letter be sent.

\* Avista Utilities may charge and collect any unusual costs incident to the discontinuance or restoration of a service which has resulted from the customer's action or negligence. In addition, this Commission approved fee may be charged whenever the Company visits a residential service address intending to reconnect service, but due to customer action, the Company is unable to complete the reconnection at the time of the visit. Further, when service has been discontinued at the Customer's request and then reestablished within a twelve-month period, the Customer shall be required to pay the monthly minimum charges that would have been billed had service not been discontinued.

\*\*\* Cost based on company formula which allows the Company to recover expenses for payroll, taxes, insurance, and company vehicle used.

\*\*\*\* Office hours are between 8 a.m. and 5 p.m. on weekdays, other than holidays.  
 (Reconnects must be accomplished before 5PM in order to merit the "during office hour" charge).
