INTEROFFICE CORRESPONDENCE**

DATE: December 19, 2022

TO: Caroline Moore

FROM: Madison Bolton

SUBJECT: **Portland General Electric Company:** 2023 Tariff has been updated. PGE’s Compliance filing at Advice No. 22-41 for Interest Accrued on Customer Deposits and Late Payment Charge.

On November 29, 2022, PGE Corporation (“PGE” or “Company”) proposed revisions to the following tariff sheets, P.U.C. OR. No. E-18:

<u>Oregon PUC Sheet No.</u>	<u>Canceling Oregon PUC Sheet No.</u>
24 th Revision Sheet No. 300-1	23 rd Revision Sheet No. 300-1
<u>Oregon PUC Sheet No.</u>	<u>Canceling Oregon PUC Sheet No.</u>
12 th Revision Sheet No. 600-2	11 th Revision Sheet No. 600-2

Robert Macfarlane, Pricing and Tariffs Manager at PGE requests to replace Oregon PUC Tariff Sheet No. E-18, the 23rd Revision Tariff Sheet No. 300 with the 24th Revision Tariff Sheet No. 300; and to replace Oregon PUC Tariff Sheet No. E-18, the 11th Revision Tariff Sheet No. 600 with the 12th Revision Tariff Sheet No. 600.

In compliance with Commission Order No. 22-459 in Docket No. UM 779, Public Utility Commission of Oregon Determination of Late-Payment Rate and Interest Accrued on Customer Deposits, PGE has made the tariff changes to reflect the late payment rate of 2.2 percent which utilities are allowed to collect on late payments and to reflect the annual interest rate of 4.5 percent on customer deposits for calendar year 2023.

Staff’s review included verifying the following requirements for compliance with Commission Order No. 22-459:

- The late payment fee of 2.2% of unpaid balance, effective for service on and after January 1, 2023.
- The interest rate of 4.5% on customer deposits held during January 1 through December 31, 2023.
- Attachments: PGE's Tariff Sheets for Late Payment charge and interest rate.

Staff verified PGE’s Advice No. 22-41 and found that the new rates have been properly applied and the Company is in full compliance with the Commission order. Staff recommends that an acknowledgement letter be sent.
