To Whom it May Concern:

I am requesting or making a motion for an extension of time to respond to the Answer and Motion to Dismiss submitted by Defendant PacifiCorp on January 13, 2023.

I was out of the office for two weeks in January without cell phone or email access. I did not have an opportunity to review the Answer and the Motion submitted by PacifiCorp.

I am requesting an additional two weeks to respond. I am representing myself and am not familiar with the rules of this case and need additional time to prepare a response. I believe that my time away and my inexperience is good cause to allow the extension. I do not believe PacificCorp is harmed in anyway by this request.

I hope you can honor my request. I appreciate your time and will work diligently to get a response to the Answer and Motion.
