RE: LESS THAN STATUTORY NOTICE APPLICATION
Roome Telecommunications Inc. Advice Letter Filing No. 38
Revision to Voice Mail Service in PUC Or. No 6

Dear Oregon Public Utility Commission:

Roome Telecommunications Inc. ("RTI") respectfully files this Less Than Statutory Notice Application so that it can discontinue Voice Mail Service currently in the PUC Oregon No 6 Tariff.

RTI makes this request because it has installed a new voice telephone switch that can comply with FCC WC Docket 17-67 Call Authentication Trust Anchor Order that requires RTI to implement STIR/SHAKEN. The new voice telephone switch that RTI installed is not capable of providing Voice Mail Service but does comply with STIR/SHAKEN. RTI only has 6 Voice Mail Service customer. RTI has provided a written discontinue notice and has also personally called each customer to notify them of the discontinuance of Voice Mail Service.

RTI request that the proposed change becomes effective February 14, 2023.

Please contact me at: 916-955-4442 or evotaw@varcomm.biz if you have any questions about this filing.

Sincerely,

Eric N. Votaw
General manager
