RE: Supplemental Filing of Advice No. 23-01, Schedule 320, Meter Information Services Update

Portland General Electric Company (PGE) submits this supplemental filing pursuant to Oregon Revised Statutes 757.205 and 757.210, and Oregon Administrative Rule (OAR) 860-022-0025, and 860-022-0030 for filing proposed tariff sheets associated with Tariff P.U.C. No. 18. PGE initially filed Advice 23-01 on January 13, 2023, with a requested effective date of March 1, 2023. PGE submits this Supplemental Filing to extend the requested effective date to April 1, 2023 to allow for additional time to implement the new rates and conduct customer outreach.

All sheets remain as previously filed.

To satisfy the requirements of OAR 860-022-0025, and 860-022-0030 PGE responds as follows:

The changes proposed to this optional, competitive offering do increase existing rates and have a de minimis impact on revenues. The number of customers affected depends on how many customers elect to participate in this optional offering.
