STAFF MOTION TO RE-ESTABLISH
PROCEDURAL SCHEDULE

[Expedited Consideration Requested]

9 Staff of the Public Utility Commission of Oregon (Staff) moves to re-establish the
10 procedural schedule for this docket. Previously, in a ruling dated August 29, 2023, the Chief
11 Administrative Law Judge (ALJ) granted Portland General Electric Company's (PGE's) motion
12 to suspend the procedural schedule for this docket. In this ruling, the Chief ALJ further directed
13 Staff to work with PGE and stakeholders and propose an alternative schedule for the remainder
14 of the docket.

15 Staff has conferred with PGE and stakeholders and proposes the following schedule be
16 established for the remainder of this docket. Staff began conferring with stakeholders October
17 26, 2023, regarding a schedule and held a call with stakeholders on October 30, 2023. Staff
18 adjusted its proposed schedule based on feedback and circulated the schedule set forth below on
19 November 1, 2023. Responses were requested by 10 a.m., November 2, 2023. PGE indicated it
20 does not oppose and the Northwest and Intermountain Power Producers Coalition (NIPPC)
21 supports the proposed schedule. Staff did not receive any other responses before filing this
22 motion. Staff requests expedited consideration with a limited response time, given the events
23 required to be promptly scheduled for this docket to be resolved in a timely manner.

24 Staff proposes the following schedule:
