Call-in Option: (669) 254-5252

Meeting ID: 161 276 2894

Passcode: 8300777099

AGENDA:

The Commission will seek comments from Staff, PGE, and stakeholders and engage in dialogue on the issues listed below. Time permitting, the Commission will seek comment on additional issues.

Issue #1: Commercial Operation Dates (COD), BPA Transmission

The Commission seeks to discuss, among other things:

- Whether PGE's updated COD requirements allow sufficient time for resources to come online to meet a potential 2026 capacity need.
- PGE's proposed approach to accepting and prioritizing bids according to their consideration in BPA transmission clusters.
- How PGE's expanded COD requirement for resources seeking to fill its energy needs may impact its overall procurement strategy in its 2023 CEP/IRP Action Plan.

Issue #2: Transmission Rights

The Commission seeks to discuss, among other things:

- Considerations and parameters for RFP participation by resources with Conditional Firm, System Conditions transmission products.

Issue #3: Interconnection

The Commission seeks to discuss, among other things:

- Whether PGE’s prioritization of resources with completed system impact studies may prevent it from acquiring sufficient resources to fill the potential 2026 capacity need suggested by the 2023 CEP/IRP.

Issue #4: Imputed Debt

The Commission seeks to discuss, among other things:

- What circumstances have changed, if any, to warrant including an imputed debt adder in this procurement.
