In the Matter of

PORTLAND GENERAL ELECTRIC  
COMPANY,

2023 All-Source Request for Proposals.

RULING

DISPOSITION: SCHEDULE SUSPENDED

On August 28, 2023, Portland General Electric Company (PGE) filed a motion to suspend the procedural schedule. PGE is requesting suspension of the schedule in order to work through questions that are impacting this docket.

I grant PGE's request and the schedule for this proceeding is suspended. Given that this is a Staff-led other than contested case docket, Staff will work with stakeholders and PGE to propose an alternative schedule.

Dated this 29th day of August, 2023, at Salem, Oregon.
