**DISPOSITION: PETITIONS TO INTERVENE GRANTED FOR LIMITED  
PURPOSES**

The Commission has received petitions to intervene in this docket from Northwest & Intermountain Power Producers Coalition; Alliance of Western Energy Consumers; Swan Lake North Hydro, LLC and FFP Project 101, LLC; NewSun Energy LLC; and Renewable Northwest.

This proceeding is not a contested case proceeding under ORS 183.310(2). Nonetheless, obtaining party status is necessary for purposes of receiving copies of filings made by others and to be eligible to sign a protective order to obtain access to confidential information. For those reasons, the Commission will grant the petitions to intervene, even though party status does not confer the general rights and duties to individuals who participate in contested case proceedings.

The petitions to intervene filed by Northwest & Intermountain Power Producers Coalition; Alliance of Western Energy Consumers; Swan Lake North Hydro, LLC and FFP Project 101, LLC; NewSun Energy LLC; and Renewable Northwest are granted for the limited purposes described above.
