2023 All-Source Request for Proposals.

RULING

DISPOSITION: NEW SCHEDULE ADOPTED

On March 13, 2024, Staff of the Oregon Public Utility Commission filed a motion to adopt a new schedule in this proceeding. Staff would vacate the previous schedule and instead queue dates off the date Portland General Electric Company files its request for acknowledgment of the Final Shortlist. PGE would be required to file the Initial Shortlist with a copy to the Independent Evaluator 60 days prior to requesting acknowledgment of the Final Shortlist. It would be required to file a Final Shortlist and supporting workpapers, including a sensitivity analysis, 30 days prior to requesting acknowledgment of the Final Shortlist. The rest of the dates in the schedule are listed as “to be determined.”

Staff’s motion is granted. Staff is directed to file a schedule containing the rest of the dates in this proceeding when possible.

Dated this 19th day of March, 2024 at Salem, Oregon.
