

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 2274

In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

2023 All-Source Request for Proposals.

RULING

DISPOSITION: RECONSIDERATION RESPONSE SCHEDULE SUSPENDED

On March 12, 2024, NewSun Energy LLC filed an application for rehearing or reconsideration of Order Nos. 24-011, and 24-024. Responses to the application are due on March 27, 2024. It has come to the attention of the Commission that there may be corrections that need to be made to the orders. Because of this, I find good cause to suspend the schedule for NewSun's application of these orders while these corrections are reviewed, and an errata issued.

RULING

The schedule to respond to NewSun Energy LLC's application for rehearing or reconsideration is suspended. The parties do not need to file responses on March 27, 2024.

Dated this 26th day of March, 2024 at Salem, Oregon.
