DISPOSITION: RESPONSES TO NEWSUN ENERGY LLC'S MOTION DUE ON
APRIL 4, 2024

On March 12, 2024, NewSun Energy LLC filed an application for rehearing or reconsideration in this proceeding. On March 26, 2024, the response schedule for that motion was suspended pending issuance of an errata order to the Commission's earlier order in this proceeding. That order (Order No. 24-085) has now been issued. Accordingly, responses to NewSun's motion will now be due on April 4, 2024.

Dated this 1st day of April, 2024, in Salem, Oregon.
