Re: In the Matter of Portland General Electric Company,
Request for a General Rate Revision
OPUC Docket UE 416

Dear Filing Center:

Today is the due date for issues related to the Automatic Power Cost Update portion of Portland General Electric Company's General Rate Case docketed as UE 416. Staff of the Public Utility Commission of Oregon (Staff) is not filing an Opening Brief related to APCU issues. To the extent Staff raised issues in this proceeding related to PGE's 2024 power costs, the issues have been resolved by stipulation and additional argument is unnecessary.

Thank you for your attention.

Sincerely,

/s/ Stephanie Andrus
