RE: Second Supplemental Filing of Advice No. 23-40, UE 416 General Rate Revision Compliance Filing

Portland General Electric Company (PGE) submits this electronic compliance filing pursuant to Oregon Revised Statutes 757.205 and 757.210 and Oregon Administrative Rules (OARs) 860-022-0025 and 860-022-0030. This Tariff is submitted in compliance with Order Nos. 23-386, 23-476 and 23-477, issued on October 30, 2023 and December 18, 2023, respectively. This Tariff is labeled P.U.C. Oregon No. E-19 and supersedes the Company's previous Tariff, P.U.C. Oregon No. E-18, in its entirety, to be effective January 1, 2024.

PGE initially filed Advice No. 23-40 on December 19, 2023. Today, PGE submitted a Supplemental Filing updating Schedules 92, 125, and 126. PGE is now submitting this Second Supplemental Filing on the heels of the Supplemental Filing to Advice No. 23-28, Schedule 18, Income Qualified Bill Discount, reverting Special Condition 7 with the previous language of "*post-enrollment verification of need from a randomly selected 3% of enrolled Customers*" instead of the proposed 10%.

Enclosed is the following replacement sheet.

Original Sheet No. 118-2

All other sheets remain as previously filed.

The changes discussed above did not affect PGE's responses in its initial Advice Filing on December 19, 2023, which require PGE to satisfy the requirements of OAR 860-022-0025(2) and 860-022-0030.

The work papers submitted on December 19, 2023, remain unchanged.

SCHEDULE 18 (Concluded)

SPECIAL CONDITIONS

1. Program participants must be the accountholder.
2. Household size reflects all permanent residents in the home, including adults and children.
3. Qualifying income refers to total gross annual income, both taxable and nontaxable, from all sources for all persons in the applicant's household.
4. The discount applies only to bills associated with the Customer's permanent primary residence and only to new charges billed after enrollment.
5. PGE Customers who have qualified for the federal Low-Income Home Energy Assistance Program (LIHEAP) or the Oregon Energy Assistance Program (OEAP) will be automatically enrolled into the appropriate tier. Those who also have a verified Emergency Medical Certificate on their PGE account will automatically be enrolled into the next highest tier, unless they are already eligible for Tier A.. Customers who do not wish to receive the discount can contact PGE to be unenrolled.
6. Customers not otherwise automatically enrolled may participate in the program after the approval of an application that includes a declaration of household size and income. Applications can be submitted directly by the Customer or a third-party on behalf of the Customer. Re-enrollment will be required every two years.
7. PGE will require post-enrollment verification of need from a randomly selected 3% of enrolled Customers annually to continue receiving this discount. Those identified for post-enrollment verification will be randomly selected among participants who were not automatically enrolled based on their verified eligibility for LIHEAP/OEAP. If a Customer's discount is discontinued due to non-responsiveness or ineligibility, they may re-enroll upon providing verification of eligibility. Customers who were automatically enrolled based on LIHEAP or OEAP eligibility are exempt from post-enrollment verification.
