In the Matter of

NORTHWEST NATURAL GAS
COMPANY, dba NW NATURAL,

Renewable Natural Gas Adjustment
Mechanism - Dakota City.

RULING

DISPOSITION: PROCEDURAL SCHEDULE SUSPENDED

On August 7, 2023, Northwest Natural Gas Company, dba NW Natural, filed a motion to suspend the procedural schedule and requested expedited consideration. NW Natural states the parties to this docket have reached a settlement in principle resolving all issues and plan to file a stipulation or a status report if the stipulation is delayed by August 18, 2023.¹ The company represents that it has consulted all the parties to this docket and no party objects to the request.

Because NW Natural is scheduled to file surrebuttal testimony on August 16, 2023, I grant this motion on an expedited basis and suspend the procedural schedule. The parties are directed to file a stipulation by August 18, 2023, with supporting testimony, or file a status report instead if there is delay.

Dated this 8th day of August, 2023, at Salem, Oregon.

¹ The motion by the company states that the parties have agreed to conditions related in docket UI 490. I expect that this will be resolved at an upcoming public meeting.
