SALMON VALLEY WATER  
COMPANY

Request for a General Rate Revision.

RULING

DISPOSITION: STIPULATION, TESTIMONY AND EXHIBITS ADMITTED; RECORD  
CLOSED

On August 10, 2023, Staff of the Public Utility Commission of Oregon filed a motion to admit the stipulation, joint testimony and exhibits in support of the stipulation (Stipulating Parties/100-103), and attached declarations into the record of this proceeding.

I find the testimony and exhibits offered by the parties and supported by the declarations of the witnesses meet the standards for relevance as required by OAR 860-001-0450(1) and satisfy the requirements of OAR 860-001-0480. No party opposed the admission of any testimony or exhibits. The stipulation, testimony, and other exhibits are therefore admitted into the record as identified in the parties' motions.

Parties may file to correct the identification of testimony or exhibits by 3:00 p.m. on August 25, 2023. If no revisions are filed, the record will be considered closed.

Dated this 18th day of August, 2023 at Salem, Oregon.
