The purpose of the prehearing conference will be to identify parties and establish a procedural schedule. Although a proceeding to review a utility's integrated resource plan (IRP) is not considered a contested case proceedings under ORS 183.310(2), the Commission grants petitions to intervene for the limited purposes of: 1) creating a service list; and 2) establishing eligibility to sign a protective order. The Commission strongly encourages any person wanting to participate in these proceedings to file a petition to intervene for such limited purposes before the prehearing conference. See OAR 860-001-0300 and OAR 860-027-0400. Petitions to intervene received before the prehearing conference may be ruled upon during the conference. A form petition to intervene can be found online at:

Due to the expedited nature of this case, this conference is being set with less than 10 days' notice. To request postponement, a party must submit a motion under OAR 860-001-0420. If you have questions, please contact the Administrative Hearings Division by telephone (503-378-6678) or by e-mail (puc.hearings@puc.oregon.gov).
