RULING

DISPOSITION: PETITION TO INTERVENE GRANTED FOR LIMITED
PURPOSES

On July 26, 2023, the Green Energy Institute at Lewis and Clark (GEI) and Climate Solutions jointly filed a petition to intervene in this docket. Although a proceeding to review a utility's integrated resource plan is not considered a contested case proceeding under ORS 183.310(2), the Commission grants petitions to intervene for the limited purposes of: 1) creating a service list; and 2) establishing eligibility to sign a protective order.

The petition to intervene filed by GEI and Climate Solutions is granted for the limited purposes described above.

Dated this 7th day of August, 2023, at Salem, Oregon.
