MEMORANDUM REGARDING
SPECIAL PUBLIC MEETING

As set forth in the memorandum revising the procedural schedule issued November 20, 2023, in this docket, the Commission will hold a Special Public Meeting starting at 9:30 a.m. on February 22, 2024. The purpose of this Special Public Meeting is to hear final comments from Staff of the Public Utility Commission of Oregon; Avista Corporation, dba Avista Utilities; and the public on Avista's 2023 Natural Gas Integrated Resource Plan (IRP), and for the Commission to make a decision on whether to acknowledge Avista's 2023 IRP.

The agenda for the February 22, 2024 Special Public Meeting is as follows:

- Welcome and Commissioner remarks
- Staff recommendations on the IRP
- Avista comments
- Stakeholder and public comments
- Commissioner deliberations

The Commission requests that members of the public wishing to provide oral comment on Staff's recommendations and Avista's 2023 IRP notify the Commission at least 24 hours before the meeting. Prior notice is not required, but it helps the Commission manage time for public comment and makes it more likely that all comments can be heard. At the appropriate time, the Chair will take comments from those who have made requests to speak in advance, and if time permits, from those indicating an interest to comment during the meeting. The Commission may set time limits for each speaker depending on the number of people interested in providing comment. If you would like to comment, please send an email to the Commission at puc.publicmeetings@puc.oregon.gov and provide your name, who you're representing and what agenda item you would like to comment on.

Dated this 8th day of February, 2024, at Salem, Oregon.
