RULING

DISPOSITION: MOTION TO MODIFY PROCEDURAL SCHEDULE GRANTED

On November 8, 2023, I issued a ruling granting a motion from the Staff of the Public Utility Commission of Oregon to modify the procedural schedule in docket LC 81. On November 14, 2023, Staff filed a motion to modify the procedural schedule, stating that its earlier motion contained a scrivener’s error and that the date for Staff’s final comments and recommendations should have been December 7, 2023, rather than December 1, 2023. Staff states that December 7, 2023, was the date circulated to the other participants in these proceedings.

I grant Staff’s motion to modify the procedural schedule to correct the error. Accordingly, the procedural schedule for the remainder of these proceedings is as follows:

Event	Date¹
Staff Final Comments & Recommendations	December 7, 2023
Comments on Staff Final Comments & Recommendations	January 16, 2024
IRP Acknowledgement Special Public Meeting	February 1, 2024, at 9:30 a.m.
IRP Acknowledgement Special Public Meeting (if needed)	February 8, 2024, at 9:30 a.m.

Dated this 15th day of November, 2023, at Salem, Oregon.
