Subject: LC 82 Schedule

Judge Mapes and Moser –

Staff has worked with both the LC 82 and LC 77 service list members to develop a schedule for the upcoming Pacific Power IRP. We began working with stakeholders the week of April 24. Our goal was to develop an agreed upon schedule, via email, and avoid having a pre-hearing conference.

On May 2nd, the schedule was finalized with all parties agreeing. That schedule is below. (Two examples of emails agreeing to the email are attached.)

IRP Publicly Scheduled Event	Proposed Date
PAC IRP/CEP Filed	Tuesday, May 30 31, 2023
PAC Utility PM/SPM Initial Presentation	Tuesday, June 27, 2023
PAC Round 0 Staff and Stakeholder Comments Filed	Friday, June 30, 2023
PAC Round 0 Company Reply Comments and Updates Filed	Monday, July 31, 2023
PAC Utility PM/SPM Post Round 0 Presentation as Needed	Thursday, August 10, 2023
PAC Staff and Stakeholder Round 1 Comments Filed	Thursday, October 5, 2023
PAC Utility Reply Comments Filed	Friday, November 17, 2023
PAC Commissioner Workshop	Tuesday, December 12, 2023
PAC Staff Round 2 Comments & Recommendations Filed	Friday, January 12, 2024
PAC All Parties Comments on Staff Round 2 Comments & Recommendations	Friday, February 9, 2024
PAC Staff PM Memo and Final Recommendations Filed	Monday, March 18, 2024
PAC PM for Stakeholder feedback and Commissioner Discussion	Tuesday, April 9, 2024
PAC Acknowledgement Meeting	Thursday, April 18, 2024
PAC Special Public Meeting to Discuss IRP Improvements	Thursday, May 30, 2024

On May 3 New Sun requested that two Commissioner Workshops be added to the schedule. The purpose would be to discuss transmission and nuclear resources in LC 82. (Email attached.)

While important topics, staff is not in favor of adding these workshops to the schedule. We feel the need for both has yet to be established and, ultimately, it is the purview of the Commissioners to decide what issues they host workshops on.

At this point, we are requesting for AHD to either set a pre-hearing conference date for all parties to meet and develop a schedule that can be put forth or for AHD to adopt a schedule.

Thank you.
