

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

Docket No. LC 82

In the Matter of

PACIFICORP d/b/a PACIFIC POWER

2023 Integrated Resource Plan (IRP) and Clean
Energy Plan (CEP).

**PETITION TO INTERVENE
of FERVO ENERGY COMPANY**

Fervo Energy Company (“Fervo”) hereby petitions to intervene in the above-referenced proceeding. In support of this petition, the following information is provided.

1. The contact information (name, address, email address) of the petitioner is:

Laura Singer
Fervo Energy Company
114 Main St., 2nd Floor
Houston, TX 77002
Email: laura.singer@fervoenergy.com
Phone: (917) 648-3929

Please include this contact on the service list.

2. The petitioner will not be represented by counsel in this proceeding.
3. Fervo is a corporation formed and validly existing in the state of Delaware. As such, it does not have members. Fervo is a developer and operator of electric generating facilities fueled by carbon-free geothermal energy.
4. The nature and extent of Fervo’s interest in this proceeding pertains to the Commission’s consideration of procurement of resources by Pacific Power consistent with the State’s environmental goals and Clean Energy Plan.
5. The topic on which Fervo will focus in this proceeding is the value and reliability that geothermal energy can provide to an integrated procurement plan to be adopted by Pacific Power.

6. Fervo has extensive experience with the operational characteristics and benefits of electric energy generated from geothermal energy.

Based on the information provided above in accordance with the Commission's rules of procedure, I request to participate in this proceeding on behalf of Fervo as an intervenor. My participation in this proceeding on behalf of Fervo will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceeding. OAR 860-001-0300.
