RE: LC 83 Cascade Natural Gas Corporation's 2023 Integrated Resource Plan (“IRP”)

Attention: Filing Center

Pursuant to Order No. 07-002 and Order No. 07-047, Cascade is required to file the 2023 Integrated Resource Plan two years after acknowledgment of the 2021 IRP. Cascade received acknowledgement on the April 27, 2021, which requires Cascade to file the 2023 IRP on April 27, 2023. Cascade is requesting an extension to the 2023 IRP to be filed on June 2, 2023. The primary reason for the extension is due to an expected FERC decision on the GTN Xpress expansion the week of May 15th. Included in Cascade’s IRP filing is an expectation that the GTN Xpress is approved, so Cascade would like to gain that assurance prior to filing the IRP.
