

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

LC 83

In the Matter of

CASCADE NATURAL GAS
CORPORATION,

2023 Integrated Resource Plan.

MEMORANDUM

The Commission will hold a Special Public Meeting on March 14, 2024, starting at 1:30 p.m. The purpose of this Special Public Meeting is to hear final comments from Staff of the Public Utility Commission of Oregon; Cascade Natural Gas Corporation; and the public on Cascade's 2023 Integrated Resource Plan (IRP), and for the Commission to decide whether to acknowledge it.

The agenda for the March 14, 2024, Special Public Meeting is as follows:

1. Welcome and Commissioner remarks
2. Staff recommendations on the IRP
3. Cascade Natural Gas Corporation comments
4. Stakeholder and public comments
5. Commissioner deliberations

The Commission requests that members of the public wishing to provide oral comment on Staff's recommendations and Cascade's 2023 IRP notify the Commission at least 24 hours before the meeting. Prior notice is not required, but it helps the Commission manage time for public comment and makes it more likely that all comments can be heard. At the appropriate time, the Chair will take comments from those who have made requests to speak in advance, and if time permits, from those indicating an interest to comment during the meeting. The Commission may set time limits for each speaker depending on the number of people interested in providing comment. If you would like to comment, please send an email to the Commission at puc.publicmeetings@puc.oregon.gov and provide your name, who you're representing and what agenda item you would like to comment on.

Dated this 8th day of March, 2024, at Salem, Oregon.
