

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UM 2280

In the Matter of

SUN COUNTRY WATER, INC.

Investigation into Billing Practices and
Functions of a Water Utility.

MEMORANDUM REGARDING SUN
COUNTRY WATER CONTACTS AND
SERVICE OF FILINGS BY MAIL TO
COMPANY

Over the course of these proceedings, the Public Utility Commission of Oregon has attempted to provide electronic service to Sun Country Water through email addresses belonging to the company's authorized representative, Victoria Coffman, and the company's owner/operator, Dean Rogers. The Commission has on several occasions received undeliverable email notifications from Dean Rogers' email address, suncountrywater@msn.com, stating that the recipient's mailbox is full and can't accept messages. Since the hearing held June 5, 2023, in these proceedings, I have learned that Victoria Coffman may have left the company, but we have received no official confirmation from the company.

To ensure that Sun Country Water receives service for filings in this docket, I request that the company call 503-378-6678 or email the Filing Center at puc.filingcenter@puc.oregon.gov and provide a current and functional email address and no later than July 26, 2023.

Additionally, until we receive conformation that Sun Country Water has a valid and working email address, all future service in this docket only for Sun Country Water will be by U. S. Mail to the company's mailing address and a Certificate of Service must accompany future filings.

Dated this 11th day of July, 2023, at Salem, Oregon.
