

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UW 196

In the Matter of

SEAVEY LOOP WATER  
COMPANY, LLC,

Request for a General Rate Revision.

RULING

**DISPOSITION: MOTION GRANTED**

On September 25, 2023, Staff of the Oregon Public Utility Commission moved to amend the procedural schedule in this docket. Staff states that the motion is unopposed by all parties to the docket. In short, Staff and the Seavey Loop Water Company, LLC, have reached a settlement on all issues except one. Two intervenors oppose the settlement. Accordingly, Staff proposes a procedural schedule to (1) allow for filing of the stipulation and opposition to the stipulation, and (2) resolve the remaining fully contested issue in this case on affiliate labor. Staff requests expedited consideration.

I find good cause to grant the revised schedule. The new schedule in this proceeding is as follows:
