

**OREGON PUBLIC UTILITY COMMISSION  
(INTEROFFICE CORRESPONDENCE)**

**DATE:** March 28, 2024

**TO:** File through Bryan Conway and Russ Beitzel

**FROM:** Steph Yamada

**SUBJECT:** SEAVEY LOOP WATER COMPANY, LLC:  
(Docket No. UW 196/Advice No. 24-01)  
Tariffs in compliance with Order No. 24-082.

I have reviewed this filing and recommend that an acknowledgement letter be sent. With this filing, Seavey Loop Water Company, LLC (Seavey Loop or Company) files tariffs in compliance with Order No. 24-082 in Docket No. UW 196.

Issue

Whether the filed tariff sheets should be allowed to become effective for service rendered on and after April 1, 2024.

Applicable Law

Pursuant to ORS 757.205(1)-(2) and OAR 860-036-2000, a rate-regulated water utility must file schedules showing all rates, tolls, and charges for any service performed by it within the state and all rules and regulations that in any manner affect its rates. The requirements for tariff and advice letter contents are described in OAR 860-036-2010.

With Order No. 24-082, entered March 22, 2024, the Commission adopted the Stipulation entered into between Seavey Loop and Staff in Docket No. UW 196. With that order, the Commission also required Seavey Loop to file compliance tariffs with an effective date of April 1, 2024.

Analysis

In compliance with Order No. 24-082, on March 22, 2024, Seavey Loop submitted tariff sheets reflecting the Stipulation entered into between Staff and the Company in Docket No. UW 196. The filed sheets will become effective on April 1, 2024. I have reviewed the filed tariff sheets and find that this filing complies with Order No. 24-082.

The revised rates reflect target revenues of \$40,291. The average residential customer will experience a monthly bill increase from \$56.99 to \$88.02, or 54.45 percent.

Conclusion

This filing complies with applicable laws and Commission orders and should be allowed to become effective for service rendered on and after April 1, 2024.
