RULING

DISPOSITION: MOTION TO SUSPEND PROCEDURAL SCHEDULE AND  
EXPEDITED CONSIDERATION GRANTED; PROCEDURAL  
SCHEDULE SUSPENDED

On October 2, 2023, Staff of the Public Utility Commission of Oregon filed a motion to suspend the procedural schedule. Staff states that the parties in these proceedings have reached a settlement in principle that would resolve all issues in the case. Staff states that the parties need adequate time to reduce their settlement to a written stipulation and to prepare testimony supporting the stipulation. Staff states that the parties intend to file the stipulation and supporting testimony by October 31, 2023, and will file a status update if the parties are unable to file by that deadline. Staff requests expedited consideration of its motion because of the deadline to submit testimony currently scheduled for October 3, 2023.

For good cause shown, I grant Staff's motion on an expedited basis. The procedural schedule for this docket is hereby suspended. Staff represents that the settling parties anticipate filing a stipulation and supporting testimony by October 31, 2023. Accordingly, in the event that a stipulation is not filed by **3:00 p.m. on October 31, 2023**, the settling parties must file a status report instead.

Dated this 3rd day of October, 2023, at Salem, Oregon.
