**Re: Docket UM 2300, Tempo Telecom LLC, Application for Designation as an ETC/ETP
and Request for Certain Waivers - Status Report**

Dear ALJ Mellgren:

Consistent with the procedural schedule established in this docket, Staff of the Public Utility Commission of Oregon (Staff) hereby reports that the parties have engaged in an operational readiness workshop and are currently engaging in the exchange of discovery. The parties intend to schedule workshops and settlement conferences in 2024, though the date of January 17, 2024, for the next settlement conference may need to be adjusted to another mutually acceptable date. The parties continue to believe this matter may be resolved through such workshops and settlement conferences.

Sincerely,

/s/ Johanna M. Riemenschneider
