RE: Second Supplemental Filing of Advice No. 23-19, Rule E Establishing Credit / Treatment of Deposits Updates

Portland General Electric Company (PGE) submits this supplemental filing pursuant to Oregon Revised Statutes 757.205 and 757.210, and Oregon Administrative Rule 860-022-0025, for filing proposed tariff sheets.

PGE initially filed Advice No. 23-19 on October 26, 2023, with a requested effective date of November 29, 2023. PGE submitted a Supplemental Filing on November 14, 2023, extending the requested effective date from November 29, 2023, to January 24, 2024, at the request of Staff to allow additional time while PGE met with Staff and outside stakeholders. PGE is now submitting this Second Supplemental Filing extending the requested effective date from January 24, 2024, to March 6, 2024, to allow additional time while PGE continues outreach with Staff and outside stakeholders.

All sheets remain as previously filed with Tariff P.U.C. No. 18. PGE will submit a supplemental filing once issues have been resolved and will issue updates with PGE's current Tariff P.U.C. No. 19.

The extension does not affect PGE's responses in its initial Advice Filing, which requires PGE to satisfy the requirements of OAR 860-022-0025(2)
