Re: Docket UE 426 – In the Matter of Idaho Power Company, Request for a General Rate Revision.

Dear Judge Mellgren:

In accordance with the Memorandum issued on May 16, 2024 in this docket, Idaho Power Company (“Idaho Power” or the “Company”), Public Utility Commission of Oregon Staff (“Staff”), the Oregon Citizens’ Utility Board (“CUB”), Community Energy Project (“CEP”) and the J.R. Simplot Company (“Simplot”) (collectively, “Stipulating Parties”) and the Oregon Irrigation Pumpers Association Inc. (“OIPA”) have conferred regarding the next steps for addressing OIPA’s objections to the First Partial Stipulation regarding rate spread and demand charge, and hereby propose the following agreed upon schedule to address OIPA’s objections.

EVENT	DATE
Joint Testimony in Support of First Partial Stipulation	May 24, 2024
OIPA’s Objection to First Partial Stipulation	June 7, 2024 ¹
Stipulating Parties Response to OIPA Objection	June 18, 2024
Cross-Examination Hearing ²	June 24, 2024
OIPA Brief	July 9, 2024
Stipulating Parties Reply Brief	July 31, 2024

¹ Given the limited scope of OIPA’s Objection, OIPA has indicated that they do not require the full 15 days afforded in OAR 860-001-0350(8), and has agreed to a slightly shorter timeframe for filing their Objection.

² At this time, parties do not anticipate the need for a cross-examination hearing.
