

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

UE 426

In the Matter of

IDAHO POWER COMPANY,

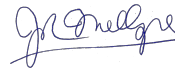

Application for a General Rate Revision.

MEMORANDUM

On February 28, 2024, Community Energy Project (CEP) filed a petition to intervene in this docket. OAR 860-001-0300(5) allows 10 days for a party to file an objection to a petition to intervene and OAR 860-001-0000(2) allows for the modification or waiver of rules for good cause shows.

I find that good cause exists to shorten the time for filing an objection to CEP's petition to intervene to facilitate an expeditious schedule in this case. As such, any objection to CEP's petition to intervene must be filed by 3:00 p.m. on March 1, 2024. Should a timely objection be filed, CEP may file a reply by 3:00 p.m. on March 4, 2024.

Dated this 28th day of February, 2024, at Salem, Oregon.
