UE 426

In the Matter of

IDAHO POWER COMPANY,

Application for a General Rate Revision.

RULING

DISPOSITION: MOTION GRANTED

On June 7, 2024, Idaho Power Company filed a motion to suspend the procedural schedule in this docket with expedited consideration requested. Idaho Power states all parties have reached a settlement in principle resolving an issue in this case raised by the Oregon Irrigation Pumpers Association, Inc. (OIPA). Idaho Power further states that this is the final disputed issue in this proceeding. OIPA's objection to the first partial stipulation in this proceeding is due on June 7, 2024. Idaho Power states all parties support this motion and the request for expedited consideration.

I grant the motion and suspend the procedural schedule. The parties must file a third partial stipulation or a joint settlement update by June 14, 2024, at 3:00 p.m. P.D.T. The deadline for filings under OAR 860-001-0350(8) related to the third partial stipulation is not suspended.

Dated this 7th day of June, 2024, at Salem, Oregon.
