In the Matter of

PORTLAND GENERAL ELECTRIC
COMPANY,

Renewable Resource Automatic
Adjustment Clause (Schedule 122)
(Clearwater Wind Project).

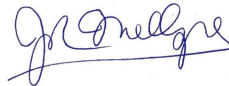

RULING

**DISPOSITION: DEADLINE TO RESPOND TO MOTION FOR MODIFIED PROTECTIVE
ORDER SHORTENED**

On November 8, 2023, Portland General Electric Company filed a motion for a modified protective order. On November 7, 2023, PGE states it gave notice to Staff of its intention to seek a modified protective order and has not received feedback on its motion. The company is requesting expedited treatment of the motion because of filing deadlines and is requesting responses to the motion be shortened to two days.

I find good cause exists for the deadline to be shortened. However, since Friday, November 10, 2023, is a state holiday, parties may file a response or, in the alternative, an intent to respond, by 3:00 p.m. on Monday, November 13, 2023.

Dated this 9th day of November, 2023, at Salem, Oregon.
