Re: Docket No. PCN 6 , Save Stafford Road

To Whom It May Concern:

I am the attorney of record for Intervenor Save Stafford Road in the above-entitled matter.

It has come to our attention that Mr. Issac Kort-Meade is the PUC staff person assigned PGE's application regarding the above-entitled Docket and will be representing the PUC during these proceedings. It has also come to our attention that Mr. Kort-Meade was a full-time Associate Attorney with the law firm of McDowell Rackner Gibson PC in Portland.

It is our understanding that the McDowell Rackner Gibson law firm has represented PGE in the past and is currently representing PGE in the above-entitled matter. We are not aware of Mr. Kort-Meade having represented PGE during his time at the McDowell Rackner Gibson law firm. Can you please advise if Mr. Kort-Meade ever represented PGE in the past and if so, the nature of that representation?

We are not requesting that Mr. Kort-Meade recuse himself from this matter. We are simply inquiring to ensure that the PUC's review of PGE's application is conducted in a fair and impartial manner.

Please let us know your thoughts and thank you for your consideration.

Very truly yours,
