MEMORANDUM

A conference is scheduled in this proceeding for May 20, 2024, at 3:00 p.m. An earlier memorandum erroneously stated that the conference would be held under OAR 860-082-0085(10). In fact, the conference will be held under the Commission's case management rule, OAR 860-001-0360. Parties should be prepared to discuss the items specified under that rule.

Dated this 15th day of May, 2024 at Salem, Oregon.
