**Re: Docket No. UM 2322 - Pilot Rock Solar 1, LLC, et al. vs. PacifiCorp, dba Pacific Power.**

Judge Mapes,

PacifiCorp requests clarification in response to your Memorandum issued on May 14, 2024, indicating that the prehearing conference scheduled for May 20, 2024, in docket UM 2322 will be handled under OAR 860-082-0085(10). The complaint here was not filed under OAR 860-082-0085, which governs petitions to enforce interconnection agreements. Rather, the complaint was filed under ORS 756.500. Therefore, PacifiCorp understood that the May 20, 2024, conference would be handled under the case management conference rule applicable to complaints filed under ORS 756.500 (OAR 860-001-0360). Moreover, looking beyond Monday's conference, because the complaint does not fall under OAR 860-082-0085, PacifiCorp does not believe that any of the requirements in OAR 860-082-0085 should govern the contested case process here. I have conferred with complainants' counsel, Ken Kaufmann, and complainants agree that OAR 860-082-0085 does not apply to this case. Given the foregoing, PacifiCorp requests clarification of the expectations for Monday's conference.

Please contact this office with any questions.

Sincerely,

---
