Re: Docket UT 125

Dear Judge Moser:

This law firm represents Qwest Corporation (“Qwest”) in this proceeding. We are in receipt of a letter from Northwest Public Communications Council (“NPCC”) dated August 8, 2023 and filed with the Commission on August 14, 2023.

Qwest does not agree with the statements or proposals stated in NPCC’s letter and intends to submit a detailed response, along with Qwest’s suggestions for proceedings on remand. Because of the press of other matters, counsel requires several days to prepare this response and intends to do so at the earliest opportunity and not later than August 23, 2023. We respectfully request that the Commission not take any action with respect to NPCC’s letter until Qwest has had an opportunity to respond.

Thank you for your attention to this matter.

Sincerely yours,

Lawrence Reichman
