MEMORANDUM

On January 16, 2024, Administrative Law Judge Christopher Allwein issued a ruling on my behalf establishing a supplemental evidentiary record in this docket. That ruling supplemented a record prepared for the Oregon Court of Appeals and docketed here on November 30, 2023.

Concurrent with the filing of this memo, we will docket a compilation of the non-confidential documents the parties requested supplement the Court of Appeals record. The non-confidential document compilation is presented in two volumes for ease of navigation and each volume contains a table of contents.

Additionally, some of the requested documents are protected by the modified protective order and are therefore confidential. The confidential documents will be sent to the parties via a Huddle link and the parties will be responsible for retrieving those documents within 2 business days. If the documents are not downloaded within that time frame, parties will need to reach out to the Administrative Hearings Division to obtain them. The table of contents for the confidential supplemental document compilation is attached to this memo.

Dated this 8th day of March, 2024, at Salem, Oregon.
