RE: UM 1020 – Portland General Electric Company’s Request for Proposal for Retail Marketing Services for Residential and Small Commercial Voluntary Renewable Energy Program and Acquisition of Renewable Energy Certificates to Offset Participant Usage

Portland General Electric Company (PGE) submits the draft of its Request for Proposal (RFP) for Retail Marketing Services, Outreach Services, and/or Renewable Energy Certificate Supply for PGE’s Residential and Small Commercial Renewable Energy Products. PGE’s current contracts expire December 31, 2021. Due to the absence of the Commission’s Portfolio Options Committee, PGE is filing this draft to give stakeholders the opportunity to provide any feedback on the draft document before it is released to bidders. It must be noted that this document is a draft only and is not a finalized RFP. Stakeholders will be invited by Public Utility Commission of Oregon Staff to file written comments on this draft RFP before it proceeds to a Public Meeting.

PGE is targeting a May 18 approval date for this RFP so the final RFP can be released to bidders on May 20. Stakeholders should submit written comments on PGE’s draft RFP documents no later than April 30, 2021.

Please direct questions or comments regarding this filing to Casey Manley at (503) 464-8258. Please direct your communications related to this filing to the following email address: pge.opuc.filings@pgn.com

Sincerely,

/s/ Robert Macfarlane
