Dear Sir or Madam:

On behalf of CIMCO Communications, Inc. The Parties understand that competitive providers such as Comcast Phone and CIMCO are exempted from the asset transfer requirements set forth in O.R.S. § 759.380(1). Accordingly, this letter is filed for informational purposes only to ensure the continuing accuracy of the Commission's records. In furtherance of this notice, the Parties provide the following information:

**III. DESCRIPTION OF TRANSACTION**

Pursuant to an Asset Purchase Agreement entered into as of September 16, 2009, between Comcast Phone and certain of its affiliates, and CIMCO (the "Agreement"), Comcast Phone will acquire the assets and customer accounts (including related data, databases, contracts and customer records needed to support the provision of telecommunications services to those customers) of CIMCO in the state of Oregon (the "Transaction"). Comcast Phone affiliates in other states will acquire CIMCO assets in those states.

In the interest of assuring a seamless and uninterrupted transition, following completion of the migration of customers to Comcast Phone, all of the affected customers will continue to receive service from Comcast Phone under the same rates, terms and conditions as currently provided by CIMCO.

Pursuant to Section 64.1120(e) of the FCC's rules, 47 C.F.R. § 64.1120(e), written notification of the proposed migration of these customers' service to Comcast Phone will be provided to CIMCO's customers. A sample of the Customer Notification the Parties plan to provide is attached hereto at **Exhibit A**. While this Customer Notification complies with the

requirements of 47 C.F.R. § 64.1120(e) and OAR 860-032-020(5), the Parties intend to complete the transaction by December 1, 2009 and, therefore, CIMCO is concurrently requesting a waiver of the notification time periods in OAR 860-032-0020(11) to the extent applicable.

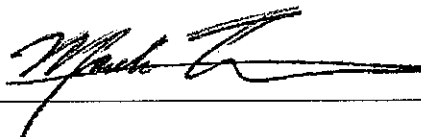

#### IV. PUBLIC INTEREST CONSIDERATIONS

Parties submit that the proposed transaction will serve the public interest. The proposed transaction will not adversely impact existing CIMCO customers and will ensure that Oregon telecommunications customers will enjoy continuity of high quality telecommunications service. Parties emphasize again that, following the Transaction, the former CIMCO customers will continue to receive services from an experienced and qualified carrier and will have access to expanded and more advanced service offerings going forward.

Respectfully submitted,
