**Re: CNGC Oregon Corporate Activity Tax**

Attention: Filing Center

Cascade Natural Gas Corporation (“Cascade”) respectfully requests authority to withdraw the following sheet from the Company’s Tariff, P.U.C. OR No. 10, on September 1, 2022:

**Original Sheet 195.1**

Cascade originally implemented a rate schedule to seek recovery of the amount of Oregon Corporate Activity Tax (OCAT) deferred pursuant to Commission Order No. 20-396.<sup>1</sup>

The amortization rate was expected to be in place for one year beginning November 1, 2021. The deferral account is expected to reach approximately zero at the end of August, two months earlier than expected. Cascade proposes to withdraw Schedule 195 on September 1, 2022 and roll any remaining deferral balance into the residual deferred gas cost account.

Pursuant to OAR 860-022-0025, the proposed change will affect approximately 79,993 customers and result in an overall rate decrease of approximately \$340,000 or .45 percent.

If there are any questions regarding this report, please contact me at (208) 377-6015.

Sincerely,

*/s/ Lori A. Blattner*
