Not applicable

_	_						
	a.	Operator service includes, but is not limited to, billing or completion of third-party billing calls, per calls, collect calls, and credit card calls. See OAR 860-032-0001.  Will Applicant directly offer operator services?	rson-to-person  ☐ Yes ☑ No				
	b.	ORS 759.690(1)(d) defines "operator service provider" as a person who furnishes operator service under contract with a call aggregator. ORS 759.690(1)(a) defines a call aggregator as a person who furnishes a telephone for use by the public, i.e., transient use.					
		Will Applicant be an "operator service provider" as defined in ORS 759.690(1)(d)?	☐ Yes 🗹 No				
11.	Sh	hared Telecommunications Service: hared Telecommunications Service (STS) service is defined in OAR 860-032-0001. STS includes resale of ng-distance service to the STS provider's user group, but not to customers outside the user group.					
	a.	a. Provide the address of the building where shared service will be provided through privately owned customer premises equipment. If Applicant intends to serve a user group located in two or more buildings, include an electronic copy of a map clearly showing the locations to be served by the Applicant. The information on the m must be precise and legible and include street names and the city where the building(s) is(are) located.					
		Not applicable					
	b.	An STS site or location consists of one building, or it consists of a complex of buildings or a campus on contiguous property. An STS provider may interconnect separate sites in order to aggregate toll traffic. An STS provider may not interconnect separate sites in order to provide local exchange service between those sites.					
		If serving buildings at separate sites, will applicant interconnect the buildings in order to aggregate toll traffic?	☐ Yes ☐ No				
	_	Describe the user group or association at the STS location					

Conditions of a certificate of authority:

10. Operator Services:

Not applicable

As a condition of a certificate of authority, applicant must comply with all applicable Commission rules and state law, as well as conditions listed in the certificate.

NOTE: Applicant must apply to PUC for another certificate of authority in order to add subsequent STS sites.

For your convenience, following is a summary of some conditions from OAR 860-032-0001 et seq. (Division 32). Additional conditions may be specified in the certificate.

- a. Certificate holder shall provide only telecommunications services authorized by the certificate.
- b. Certificate holder shall, at a minimum, meet the standard level of service specified in OAR 860-032-0012. The standard level of service is 99 percent probability that a call will not be blocked during the certificate holder's busy hour of the day.
- c. Certificate holder's books and records shall be open to inspection by the Commission to the extent necessary to verify information required by the Commission's rules.
- d. Certificate holder shall maintain its books and records according to generally accepted accounting principles and the applicable rules of the Commission.
- e. Certificate holder shall pay all access charges and subsidies imposed pursuant to the Commission's rules.
- f. Certificate holder shall pay an annual fee to the Commission pursuant to the Commission's rules. This fee will be based on the certificate holder's annual gross retail intrastate revenues and will be no less than \$100 per calendar year. The certificate holder shall collect the fee by charging an equitable amount to each retail customer and describe the amount of the apportioned charge on each retail customer's bill, pursuant to the Commission's rules.
- g. The certificate holder shall pay a quarterly amount to the Oregon Universal Service Fund based on a Commission-approved surcharge percentage assessed on all retail telecommunications services sold in Oregon pursuant to ORS 759.425(4).
- h. Certificate holder shall respond in a timely manner to Commission inquiries.

Pursuant to Residential Service Protection statutes, Chapter 290, Oregon Laws 1987, and Dividion 22, certificate holder shall be responsible to ensure that the Residential Service Protection Fund surcharge is remitted to the Commission. This surcharge is assessed against each paying retail subscriber at a rate that is set annually by the Commission.

Form Date: June 17, 2003 Page 3 of 4

Applicant understands that all services provided by Applicant must comply with all applicable Commission rules and state law, and with conditions of the certificate (check box at left).
